

Navy Lacrosse Camp Allen, TX

The Academy Lacrosse Camp will offer campers an opportunity to learn from the nation's top lacrosse coaches & players. Over the years we have observed the nation's best H.S programs require their players to attend camp as a team starting in middle school. This philosophy provides a consistency not present in programs where players go off to camp on their own; our new program is designed to develop team concepts. Although directed towards teams, individuals are still welcome and will be placed on Camp teams learning the same concepts to bring back to their home team. Following is information about the camp, More information is available in the "FAQ" link on our website. You will receive a detailed email one week before camp with specific check-in information.

Day Camp \$400.00
